TOTAL ENERGY CAPSULES

4000154

GLUTEN FREE VEGAN NICHEL TESTED <0.0001%

DESCRIPTION

Total Energy is a dietary supplement designed for psychophysical well-being, with its main components being MACA, DAMIANA, GANODERMA, and GUARANA.

Maca is a plant native to the Andes, and its root is rich in carbohydrates, proteins, calcium, iron, selenium, and zinc, making it nutritionally valuable. It is used for its adaptogenic, immunostimulant, and aphrodisiac properties.

Damiana is traditionally used as a tonic and neuromuscular stimulant and as an aphrodisiac.

Active components include essential oils, glycosides, resins, fatty acids, tannins, and polysaccharides.

The tonic and stimulating action can be helpful in cases of physical and mental fatigue, stress, and anxiety.

Ganoderma can assist in preventing metabolic alterations, regulating the immune system, reducing allergies and intolerances, and acting as an adaptogen.

Guarana contains guaranine, an analogue of caffeine (Green Coffee). Catecholamines promote increased body metabolism, heart rate, and respiration.

In athletes, it is useful for improving psychophysical endurance.

Total Energy, in both ampoules and capsules, can support athletes in neuromuscular activity and psychophysical stress. The adaptogenic action can also be useful for coping with everyday stress and fatigue.

INDICATIONS

Guarana: Tonic, for mental and physical fatigue. It helps boost your metabolism and lipid metabolism. Normal body weight balance. Green Coffee: Tonic action and metabolic support. Antioxidant. Ganoderma: body's natural defenses every day. Damiana:Tonic (physical exhaustion, mental). Regularity of intestinal transit. Digestive function. Drainage of body fluids and functionality of the urinary tract. Maca: Tonic-adaptogen. Tonic (physical, mental fatigue). Tonic action and metabolic support.

INGREDIENTS

Guaranà (Paullinia cupana Kunth) seeds Dry extract tit. 10% in caffeine; Green coffee (Coffea arabica L.) seeds Dry extract tit. 45% in chlorogenic acid and 5% in caffeine; Ganoderma lucidum (Curtis) P. Karst. Sporophorum fungal fruiting body Dry extract tit. 10% in polysaccharides; Maca (Lepidium meyenii Walp.) roots Dry extract 4/1; Damiana (Turnera spread Wild. ex Schult.) leaves Dry extract 4/1; Anhydrous caffeine; Maltodextrin

HOW TO USE

3 capsules per day with plenty of water.

PACKAGE

90 capsules of 500 mg.

STORAGE

Store in a cool, dry place away from heat sources.
The expiry date refers to the unopened product, properly preserved.

REALFIBRE

4000240

GLUTEN FREE VEGAN Keto FRIENDLY

DESCRIPTION

Realfibre is a food supplement containing fibres that promote the maintenance and development of healthy intestinal flora.

They can be useful in cases of constipation, dysbiosis due to incorrect nutrition or from taking antibiotics.
The main characteristics of prebiotics are resistance to digestive processes in the upper gastrointestinal tract and selective fermentation for one or a limited number of microorganisms in the intestinal flora.
Prebiotics provide nourishment for good gut flora, thus creating unfavourable conditions for pathogenic microorganisms.
Dietary FOS (fructo-oligosaccharides) are not hydrolysed by intestinal enzymes and reach the cecum structurally intact.
Their consumption increases faecal mass and can therefore be helpful in combating constipation.
Inulin is an oligosaccharide consisting of long chains of fructose.
Its special characteristic is that it promotes the presence of Bifidobacteria in the intestine.

All in all, these effects result in improved intestinal function in terms of nutrient absorption and an aid to intestinal transit, promoting the well-being of the intestine and thus of the entire organism.

INDICATIONS

Realfibre is a dietary fiber supplement (Inulin and apple fiber) with fructoligosaccharides witch is required in all cases of increased requirements or reduced intake of these nutrients.

INGREDIENTS

Inulin; Apple fiber; Fructo-oligosaccharides; Ananas flavour

HOW TO USE

Take 4 g of product directly in the mouth or dissolved in a glass of water.

PACKAGE

120 g

STORAGE

Store in a cool dry place: after opening the product is moisture sensitive, keep tightly closed.
The expiry date refers to the unopened product, properly preserved.

NUTRITIONAL VALUES

Quantities per recommended maximum daily dose (4g)	
Inulin	3.500 mg
Apple fiber	400 mg
Fructo-oligosaccharides	100 mg

WARNINGS

Do not exceed the recommended daily dose. Keep out of the reach of children under three. Supplement should not be considered as substitute for a varied and balanced diet and healthy lifestyle. Gluten-free. Vegan.
