DESCRIPTION

Snep RealComplex is a dietary supplement that may be useful to facilitate the **body purification** through the liver and kidneys.

The Taraxacum promotes through the liver the drain out of toxic substances and metabolites accumulated in the body.

The Birch can promote diuresis, activity attributed to flavonoids; it may also be useful for preventing kidney stones and gallstones.

The Artichoke can promote a choleric action for the presence of cynarin, a bitter substance that stimulates the secretion of bile; to this plant are attributed also the eupeptic and stomachic functions.

Snep Real Complex has in its form also some Mineral Salts, including Iron Bisglycinate, which is constituted by a molecule of ferrous iron bound to two molecules of glycine.

This compound containing iron seems to be well tolerated and well absorbed by the gastrointestinal system.

Vitamin C is an important antioxidant that can counteract the action of free radicals, so it can help the body against pollutants, smoking effects and tissues aging; it is also important for the absorption and utilization of iron.

Magnesium citrate can be useful for the relaxation of the muscles: the citrate may support the body in weariness situations, and such as birch can counteract the onset of some types of kidney stones.

Calcium carbonate may have important function for the bones, together with Vitamin D, and soothing effect to the stomach acid.

With its components, Snep Real Complex can be a great help to **purify the body, to protect it against free radicals, and to maintain a physiological wellbeing.**

INDICATIONS

Realcomplex Tablets is a dietary supplement of minerals (Magnesium, Potassium, Calcium, Iron, Copper), Vitamins C and D, with extracts of Taraxacum, Birch and Artichoke.

INGREDIENTS

Magnesium citrate; Calcium phosphate; Potassium citrate; Dandelion (*Taraxacum officinale* Weber) root Dry extract tit. 2% in inulin; Birch (*Betula pendula* R.) leaves Dry extract tit. 2% in hyperoside; Bulking agent (*Isomalt*); Vitamin C (*L-Ascorbic Acid*); Artichoke (*Cynara scolymus* L.) leaves Dry extract tit. 2% in chlorogenic acid; Bulking agent (*Microcrystalline cellulose*); Bisglycinated iron; Copper gluconate; Anti-caking agents (*Silicon dioxide*; *Magnesium salts of fatty acids*); Vitamin D3 (*Cholecalciferol*)

HOW TO USE

It is recommended taking 2 to 6 tablets per day, preferably with meals. Avoid in case of ascertained hypersensitivity to one or more ingredients of the product.

PACKAGE

120 tablets of 800 mg each.

STORAGE

Store in a cool dry place: after opening the product is moisture sensitive, keep tightly closed.
