

## REDUCING BATH & SHOWER GEL 250ml

75012

---

### DESCRIPTION

Effective in combating skin blemishes caused by cellulite and localized fat deposits. The sundew and green coffee extracts show a stimulating effect on the area, allowing fat cells to carry out in full efficiency the normal metabolic functions.

In this way there is greater mobility of fats, resulting in better possibilities of catabolic elimination and tissue metabolism (reducing effect and renewal of fats surface deposits). These actions are stimulated by the warm bath and shower effects, with the possibility of greater efficacy due to the synergy of the combined treatments bath-massage and massage-shower, so it is advisable the combined use of the Reducing Cream Snep.

No parabens, SLS, Petrolates, synthetic dyes.

Product suitable for vegans, made without substances of animal origin.
