

ANTI FALL LOTION 75017

DESCRIPTION

Specific cosmetic treatment for hair subject to excessive fall, flaking, greasiness. Thanks to the **antioxidant, moisturizing, purifying and stimulating action** of its active ingredients, it promotes the **improvement** of microcirculation, helps to **counteract** the miniaturization process of the hair bulb, and contributes to the **restoration** of the normal values of skin physiology, reducing the formation of dandruff and excessive sebum production.

Recommended in the **preventive treatment of hair loss**, can also be used in the treatment **of oily and impure skin and dandruff**.

Product suitable for vegans, made without substances of animal origin
