

CHOCO BREAK

00279

DESCRIPTION

Opuntia ficus indica: It contributes to the correct absorption of nutrients together with an effective soothing action for the digestive system.

Camelia sinensis: It promotes the drainage of body fluids.

Griffonia simplicifolia: It controls the feeling of hunger and induces mental well-being.

Bromelain: Proteolytic enzyme that contributes to the drainage of fluids.

Theobroma cocoa: Helps maintain tone and mood.

Antioxidant: contains polyphenols that fight free radicals.

INDICATIONS

Food supplement based on cocoa, sugar-free and gluten-free with bromelain, prickly pear, griffonia and green tea.

Acts as an appetite suppressant and helps maintain a balanced weight.
