DESCRIPTION

Food supplement based on Vitamin C and Flavonoids from citrus fruits with plant extracts.

Vitamin C: contributes to the normal formation of collagen for the normal function of blood vessels, cartilage, bones, and skin; promotes physiological energy metabolism and reduces tiredness and fatigue; contributes to the protection of cells against oxidative stress.

Grapes: promotes the functionality of the microcirculation (heaviness of the legs) and the cardiovascular system; has antioxidant activity.

Acerola: promotes the body's natural defences and has a supportive, restorative and antioxidant action.

Black blueberry: promotes the functionality of the microcirculation (heaviness of the legs); has an antioxidant effect; promotes the well-being of the eyes.

Indian gooseberry: promotes carbohydrate metabolism; has an antioxidant and tonic-adaptogenic effect.

Black pepper: contributes to the regular functioning of the cardiovascular system; has an antioxidant effect.
