

SNEPLUMAX - SERUM

71084

DESCRIPTION

FACIAL SNAIL SLIME SERUM

Facial serum with 80% snail slime and aloe vera, enriched with allantoin, glycolic acid, and sodium hyaluronate. Free of silicones, parabens, petroleum jelly, alcohol.

The serum exploits the properties of snail slime, naturally containing allantoin, collagen, elastin and glycolic acid which promote the stimulation of collagen production, reducing the signs of aging.

The addition of allantoin improves the skin's texture, reduces the appearance of wrinkles, moisturizes, soothes, and regenerates the skin's surface.

Glycolic acid, thanks to its exfoliating and keratolytic properties, removes the layer of dead cells responsible for the rough and dull effect, making the skin brighter and smoother.

Sodium hyaluronate, with well-known moisturizing properties, prevents transdermal water loss by forming a very thin film that ensures skin hydration.

With a light texture and delicate fragrance, it absorbs quickly and is non-greasy. As an adjunct in anti-aging treatment, it exerts a brightening, antioxidant, exfoliating, nourishing, and moisturizing action.

INGREDIENTS

Snail Secretion Filtrate; Aloe barbadensis leaf juice**; Glycerin; polyglyceryl-6 caprylate; polyglyceryl-4 caprate; allantoin; Sodium hyaluronate; Olea europaea oil unsaponifiables; Phenoxyethanol; glycolic acid; Aqua (Water); Xanthan gum; Parfum; Ethylhexyl glycerin ; Potassium sorbate; Sodium benzoate

HOW TO USE

Apply a few drops of product on the face, neck, and décolleté and massage until fully absorbed. For a greater effect, complete the treatment by applying the facial cream with snail slime. Keep the product away from light and heat sources.
