NAT 1 - CLEANSING BALM

71090

DESCRIPTION

Gentle cleansing balm, formulated with precious nourishing oils, removes makeup, cleanses, and purifies the skin. Used in the first phase of double cleansing (balm + foam), it removes makeup, impurities, and excess sebum by affinity without drying or greasing the skin. It protects and restores the natural hydro-lipid barrier, leaving the skin clean, hydrated, and soft.

The melting texture, upon contact with the skin, transforms into a cleansing oil that, with water, becomes a light milk with a delicate citrus scent. It is effective in dissolving all types of makeup, especially waterproof makeup, while simultaneously removing impurities and pollutants from the skin. Easy to rinse off, it does not irritate the eyes and leaves no residue.

It can be used as a makeup remover or cleanser, and when combined, these two actions provide deep cleansing in a single step. It can be used on the face, eye area, and lips. Suitable for all skin types.

Almond Oil: Thanks to its high content of polyunsaturated fatty acids and vitamins A and E, it has antioxidant, moisturizing, and soothing properties.

Avocado Oil: Excellent moisturizer and regenerator due to the presence of vitamins E, A, and D, and Omega-3 fatty acids, making it particularly suitable for dry, sensitive, and reactive skin.

Coconut Oil: Thanks to the combination of vitamin E, fatty acids, and polyphenols, it purifies and hydrates the skin, providing softness and elasticity. It is also rich in lauric acid with anti-inflammatory, antiseptic, and antifungal properties.

Shea Butter: Known for its emollient and elasticizing properties.

Jojoba Oil: Naturally gentle, non-comedogenic, and non-irritating. It restores optimal hydration and, thanks to its properties, heals the skin, making it softer, more elastic, and smoother.

Hydroglyceric extract of Burdock: With dermopurifying and sebum-rebalancing properties, it helps reduce blackheads and impurities.

Papaya extract offers gentle exfoliation, giving firmness and radiance to the facial skin.

Rose Damascena water and Rose Centifolia water help remove impurities and counteract excess sebum.

White clay purifies the facial skin and tightens dilated pores due to its antiseptic and healing properties.

With Rice Wax and Candelilla Wax for emollient, moisturizing, and soothing action.

Contains Vitamin E, a natural antioxidant that restores the balance of excess sebum without drying the epidermis.

Free from mineral oils, silicones, and parabens.

NAT 2 - PINK MOUSSE

71091

DESCRIPTION

Foaming cleanser with a soft and creamy texture, enriched with Aloe vera and Chamomile extract. It cleanses and gently removes the last traces of makeup, impurities, and excess sebum from the face and eyes, leaving the skin clean, hydrated, and soft.

It can be used on its own or for double cleansing in combination with the cleansing balm to remove even the most stubborn makeup.

The aqueous-based foaming cleanser completes the deep cleansing of the skin, thanks to plant-based surfactants that remove the oily cleanser and the dirt molecules dissolved in it. The facial foaming mousse works in contrast, allowing the complete removal of makeup residue, excess sebum, and impurities that emerged during the oily phase.

Gentle on the eyes and sensitive areas. Suitable for all skin types.

The hydroglyceric extract of Burdock, with its dermopurifying and sebum-rebalancing properties, helps reduce blackheads and impurities.

Rose Damascena water and Rose Centifolia water, with their illuminating and soothing action, help remove impurities and counteract excess sebum.

It contains Salicylic Acid with a gentle exfoliating action, helping to eliminate the layer of dead cells, preventing pore clogging, and reducing the appearance of impurities and imperfections for fresh, healthy-looking, and radiant skin.

With hydrolyzed Elastin for its softening properties and Sodium Ascorbyl Phosphate for moisturizing, brightening, and illuminating action.

The formula is enriched with Glycerin to keep the skin hydrated, Vitamin B5 for soothing and reparative action, and Vitamin E known for its antioxidant properties. It is free from sulfates, silicones, and parabens.

NAT 3 - CANDY SCRUB

71092

DESCRIPTION

The facial scrub with white sugar and Aloe Vera is a gentle exfoliating treatment that gives the skin a new radiance and restores the natural hydro-lipid balance of the epidermis. It harnesses the smoothing and moisturizing action of sugar, ensuring deep cleansing and refining the skin's texture while evening out the complexion. It removes dead cells from the skin's surface, promoting natural skin regeneration.

Enriched with Allantoin and Glycolic Acid, it exerts an exfoliating, nourishing, and antioxidant action on the skin, reducing imperfections caused by acne, blemishes, or scars.

Its formula with Wheat Germ Oil, Coconut Oil, and Sodium Hyaluronate ensures a gentle yet effective exfoliating action, aiding in the removal of impurities and dead cells.

It contains Rice Starch that soothes redness and irritations while cleansing the skin, making it immediately softer and more elastic.

Vitamin E aids in the cellular regeneration process and skin barrier repair.

With Sodium Ascorbyl Phosphate for moisturizing, brightening, and illuminating action.

After the treatment, the skin will appear cleaner, brighter, and well-hydrated simultaneously.

Its rich and nourishing formula, pleasantly fragrant, is suitable for all skin types, including the most sensitive and delicate ones.

Free from silicones, petroleum derivatives, alcohol, and parabens.
