Multivitamin Gummies for Kids

Realvita Kids is the food supplement in gummy format designed to meet the nutritional needs of the little ones, offering a balanced formula that supports growth and daily well-being.

Realvita Kids is a source of vitamins that contribute to the normal development of the immune system, energy metabolism and the reduction of tiredness and fatigue.

With its complete and tasty formula, it is the perfect ally for children who want to feel active, energetic and ready to face any challenge!

Why Realvita Kids? Realvita Kids is a complete supplement that, thanks to its gummies format, makes taking vitamins fun, thus satisfying parents and children.

Realvita Kids contains a combination of B vitamins and vitamin C, each of which plays a crucial role in growth and development, including:

- Vitamin C: supports the normal function of the immune system.
- Vitamin B6: contributes to the normal function of the nervous system.
- Vitamin B12: contributes to the normal formation of red blood cells.
- Vitamin B8: important for maintaining healthy hair, skin and nails.

In addition to vitamins, Realvita Kids contains Royal Jelly, known for its nourishing and regenerating properties.
