

NEW BEAUTY DREAM PRO 75200K

DESCRIPTION

This beauty care device employs radio frequency (RF) thermal technology for **high thermal skin care**, together with EMS to **treat facial muscles**.

HOW TO USE

This beauty device employs radio frequency (RF) thermal technology for high frequency thermal skin care, as well as EMS technology for facial muscle treatment. It features 4 RF emission heads, which produce RF waves at one million vibrations per second, as well as an EMS emission head for alternating low frequency electric current. Heat treatment and muscle stimulation can be performed simultaneously. The temperature of the device (thermostat) is used to measure the temperature, protecting the skin and ensuring a feeling of light heat with temperatures that remain around 40 ° C. Continue on:

BEAUTY DREAM BODY 75033

DESCRIPTION

Beauty Dream body tones the skin and helps fight the skin blemishes of cellulite, helping to regain the silhouette, thanks to a unique composition of functional ingredients of plant origin.

Contains pure aloe gel and Ganoderma extract enriched with the following active ingredients: Adifyline, Adipotrap, GC Radiodefender and Nanoliposomes with a slimming effect. The latter constitute a new cosmetic technology that allows the functional principles contained within them to be conveyed to the target site.

They are formulated starting from:

Caffeine: improves blood circulation by promoting the drainage of excess fluids.

Laminaria digitata: promotes an increase in the mobility of adipocytes.

Hedera helix: regulates capillary permeability.

The two complexes Adifyline and Adipotrap help fight the skin blemishes of cellulite and help volumize the areas of the body where there has been a loss of tone.

INGREDIENTS

Aloe barbadensis leaf juice, Glicerine, Sodium Polyacrylate, Water, Sorbitol, Ganoderma lucidum (Curtis) P. Karst. Sporophorum extract, hydrolyzed Drosera ramentacea leaf extract, Laminaria digitata extract, Hedera helix (ivy) leaf extract, Lecithin, acetyl hexapeptide-38, Propylene glycol, Butylene glycol, caffeine, Xanthan gum, Phenoxyethanol, sodium hydroxymethyl cellulose, Caprylyl glycol, Disodium EDTA, glyceryl caprylate, Ethylhexylglycerin, Sodium dehydroacetate, Caprylyl glycol, Parfum (Fragrance).

HOW TO USE

Apply the gel in small doses, directly where it is needed, make it absorb by passing the specific handpiece with light and toasting circular movements. It is important that the handpiece always remains in contact with the skin.

BEAUTY DREAM FACE 75034

DESCRIPTION

Beauty Dream face is a silky, light, extremely nourishing emulsion that supports the skin of the face, making it more uniform and toned with consequent reduction of skin wrinkles.

Contains pure aloe gel and Ganoderma extract, enriched with the following active ingredients: Adifyline, Trylagen, GC Radiodefende.

Adifyline is a powerful peptide that gives a plumping effect to the volumes of the face.

Trylagen: functional principle adjuvant in the prevention of wrinkles, acts by evening out the skin texture and visibly reducing skin wrinkles.

GC Radiodefende based on purified marine glycogen, protects the skin from oxidative stress due to exposure to electromagnetic waves, restoring its protective function.

INGREDIENTS

Aloe barbadensis leaf juice, Glycerin, Sodium Polyacrylate, Pseudoalteromonas ferment extract, Hydrolyzed wheat protein, hydrolyzed soy protein, tripeptide-10 citrulline, tripeptide-1, Lecithin, Ganoderma lucidum (Curtis) P. Karst.
