

VENERE

00290

DESCRIPTION

Gluten Free.

Food supplement based on vitamins and minerals with Collagen, MSM, Glutathione and Sodium hyaluronate and with Aloe gel and Karkadè and Olive extracts.

Vitamin A

- contributes to the normal metabolism of iron
- contributes to the maintenance of normal mucous membranes
- contributes to the maintenance of normal skin
- contributes to the maintenance of normal vision
- contributes to a normal immune system function
- intervenes in the process of cell specialisation

Vitamin E

- contributes to the protection of cells from oxidative stress

Vitamin B1

- contributes to normal energy metabolism.
- contributes to the normal functioning of the nervous system
- contributes to normal psychological function
- contributes to the normal function of the heart

Vitamin B2

- contributes to normal energy metabolism.
- contributes to the normal functioning of the nervous system
- contributes to the maintenance of normal mucous membranes
- contributes to the maintenance of normal red blood cells
- contributes to the maintenance of normal skin
- contributes to the maintenance of normal vision
- contributes to the normal metabolism of iron
- contributes to the protection of cells from oxidative stress
- contributes to a reduction in tiredness and fatigue

Vitamin B3

- contributes to normal energy metabolism.
- contributes to the normal functioning of the nervous system
- contributes to normal psychological function
- contributes to the maintenance of normal mucous membranes
- contributes to the maintenance of normal skin
- contributes to a reduction in tiredness and fatigue

Vitamin B12

- contributes to normal energy metabolism.
- contributes to the normal functioning of the nervous system
- contributes to normal homocysteine metabolism
- contributes to normal psychological function
- contributes to the normal formation of red blood cells
- contributes to a normal immune system function
- contributes to a reduction in tiredness and fatigue
- intervenes in the process of cell division

Biotin

- contributes to normal energy metabolism.
- contributes to the normal functioning of the nervous system
- contributes to normal macronutrient metabolism
- contributes to normal psychological function
- contributes to maintaining normal hair.
- contributes to the maintenance of normal mucous membranes
- contributes to the maintenance of normal skin

Magnesium

- contributes to a reduction in tiredness and fatigue
- contributes to electrolyte balance
- contributes to normal energy metabolism.
- contributes to the normal functioning of the nervous system
- contributes to normal muscle function
- contributes to normal protein synthesis

- contributes to normal psychological function
- contributes to the maintenance of normal bones
- contributes to the maintenance of normal teeth
- intervenes in the process of cell division

Zinc

- contributes to normal acid-base metabolism
- contributes to normal metabolism of carbohydrates
- contributes to normal cognitive function
- contributes to normal DNA synthesis
- contributes to normal macronutrient metabolism
- contributes to the normal metabolism of fatty acids
- contributes to the normal metabolism of vitamin A
- contributes to normal protein synthesis
- contributes to the maintenance of normal bones
- contributes to maintaining normal hair.
- contributes to the maintenance of normal nails
- contributes to the maintenance of normal skin
- contributes to the maintenance of normal vision
- contributes to a normal immune system function
- contributes to the protection of cells from oxidative stress
- intervenes in the process of cell division

Manganese

- contributes to normal energy metabolism.
 - contributes to the maintenance of normal bones
 - contributes to the normal formation of connective tissues
 - contributes to the protection of cells from oxidative stress
-

Copper

- contributes to the maintenance of normal connective tissue
- contributes to normal energy metabolism.
- contributes to the normal functioning of the nervous system
- contributes to normal hair pigmentation
- contributes to the normal transport of iron in the body
- contributes to normal skin pigmentation
- contributes to a normal immune system function
- contributes to the protection of cells from oxidative stress

Aloe gel

- Softening and soothing effect (digestive system)
- Body's detoxification functions
- Healthy throat

Karkadè

- Regularity of intestinal transit
 - Drainage of excess fluids
 - Antioxidant
 - Regularity of blood pressure
 - Functionality of the urinary tract
-

Olive

- Metabolism of carbohydrates and lipids
 - Normal blood circulation
 - Regularity of blood pressure
 - Antioxidant
-

INDICATIONS

Food supplement based on vitamins and minerals with Collagen, MSM, Glutathione and Sodium hyaluronate and with Aloe gel and Karkadè and Olive extracts.

INGREDIENTS

Water; Aloe Vera (*Aloe barbadensis* Mill.) gel without epidermis*; Wildflower honey; Hydrolyzed collagen; Magnesium citrate; Glutathione; Acidity regulator (*Sodium lactate*); Karkadè (*Hibiscus sabdariffa* L.) Flower DE 4/1; Olive (*Olea europaea* L.) leaves Dry extract tit. 15% in oleuropein; Acidifying (*Citric acid*); Methylsulfonylmethane (MSM); Preservative (*Potassium sorbate*); Sodium hyaluronate; Passion fruit flavour; Vitamin E (*DL-alpha-tocopheryl acetate*); Vitamin B3 (*Nicotinamide*); Zinc gluconate; Vitamin A (*Retinyl acetate*); Manganese gluconate; Copper gluconate; Vitamin B2 (*Riboflavin*); Vitamin B1 (*Chlorhydrate of Thiamine*); D-Biotin; Vitamin B12 (*Cyanocobalamin*); *from biological agriculture

HOW TO USE

Take a single-dose vial (25 ml) once a day.

PACKAGE

30 sachets of 25 ml

STORAGE

Store in a cool dry place, away from sources of heat.

NUTRITIONAL VALUES

	Quantities per maximum daily dose (25ml)	%VNR*
Vitamin A (<i>Retinyl acetate</i>)	600 mcg	75%
Vitamin E (<i>DL-alpha-tocopheryl acetate</i>)	12 mcg	100%
Vitamin B1 (<i>Chlorhydrate of Thiamine</i>)	1,1 mg	100%
Vitamin B2 (<i>Riboflavin</i>)	1,4 mg	100%
Vitamin B3 (<i>Nicotinamide</i>)	16 mg	100%
Vitamin B12 (<i>Cyanocobalamin</i>)	2,5 mcg	100%
Biotin	50 mcg	100%
Magnesium	56,3 mg	15%
Zinc	1,5 mg	15%
Manganese	0,5 mg	25%
Copper	0,28 mg	28%
Collagen	2,5 g	
MSM (Methylsulfonilmethane)	100 mg	
Glutathione	250 mg	
Sodium hyaluronate	50 mg	
Aloe gel	5 ml	
Karkadè DE	200 mg	
Olive Tree Dry extract tit.15%	150 mg	
of which oleoeuropeine	22,5 mg	
*NRV = Nutrient Reference Value		
Carbohydrates	4,95 g	
Protein	0,2 g	
Sugars	4,95 g	
Salt	0,06 g	
Sodium	24,075 mg	
Energy Value (Kcal)	21,75	
Energy Value (Kj)	91,75	

WARNINGS

Do not exceed the recommended daily dose. Keep out of the reach of children under three. Supplement should not be considered as substitute for a varied and balanced diet and healthy lifestyle.
